Hockey Ability Ranking - Please rank your ability. _____

Rank Your Ability...

1

Level 1

Players / Goalies at this level are just learning and are becoming comfortable on their skates but still have a hard time with skating both forward and backwards. They've acquired some basic skills to get up and down the ice but still struggle with carrying the puck, making passes and taking shots. Skating - Stick handling - Passing - Shooting skills are all in the 1 to 2 out of 10 range.

2

Level 2

Players / Goalies at this level are comfortable skating forward and can now skate backwards fairly comfortably. They are starting to understand positioning, team concepts, can skate backwards, but are still working on stick handling, passing, crossovers etc. Skating - Stick handling - Passing - Shooting skills are all in the 3 to 4 out of 10 range.

3

Level 3

Players / Goalies at this level are comfortable in a team environment and in a fast paced game and are able to keep up with the play. They are in average physical shape. Skating - Stick handling - Passing - Shooting skills are in the 5 to 6 out of 10 range.

4

Level 4

Players / Goalies at this level play at a high level in all areas of the game. They understand the rules, team concepts, are skilled a stick handling, passing, puck control etc. They are in good physical shape. Skating - Stick handling - Passing - Shooting skills are all in the 6 to 7 out of 10 range.

5

Level 5

Players / Goalies at this level play at a high level in all areas of the game. They understand the rules, team concepts, are skilled a stick handling, passing, puck control etc. They are in above average physical shape. Skating - Stick handling - Passing - Shooting skills are all in the 8 out of 10 range.

6

Level 6

Players / Goalies at this level should feel comfortable playing with Ex-Professionals, Ex-Division 1 / CHL players. Skating - Stick handling - Passing - Shooting skills are all in the 9 to 10 out of 10 range.
