

OVERWHELMED WITH GRATITUDE

Final numbers are rolling in, but it looks like this year’s Tough Enough To Wear Pink fundraising efforts raised more than \$365,000.00 during the week of events putting us at \$3,185,000 million raised since 2005 for LOCAL breast cancer support, awareness and programs.

Saying THANK YOU doesn’t say enough. But we sincerely appreciate all the efforts of our donors, entertainers and volunteers. ALL of the money raised stays here in Gunnison County. We simply could not do it without you.

Songwriters - Pam Tillis & Kendell Marvel
