WHY SPONSOR?

This event is a fundraiser for Tough Enough To Wear Pink and is critical to the funding of our programs in the Gunnison Valley. Funding from sponsorships will be used directly for our many programs. Here are a few..... <https://gunnisontetwp.com/programs/>

EARLY DETECTION & SUPPORT FOR LIFE SAVING SCREENINGS

Provide life saving cancer screenings for those who do not have insurance. Help to raise awareness around the importance of early screening for breast cancer. Over the last few years TETWP has ramped up our awareness campaign resulting in a **40% increase from 2017 to 2019 in the number of women getting their annual mammogram!**

FRIENDS OF PINK

Help with individual financial assistance for those who are going through breast cancer. Funds to help with household

TUFFY & BUCKY & BETTY ANN - TETWP TRANSPORTATION PROGRAM

Help get people with any type of cancer safely to their out of town appointments and treatments in our vehicles. The vehicles traveled over **33,000 miles** in the last year. Helping individuals with cancer in our community to access over **130 treatments and appointments!**

LUCY'S HOUSE

Cover the costs of lodging for people that have to stay away from home to access life saving treatments. Over the last year the Lucy's House program has covered **143 Nights of Lodging** for individuals with ALL types of cancer. Helping them to stay close to where they receive their treatments and ease some of the stress experienced by individuals and families dealing with a cancer diagnosis.

GUNNISON VALLEY HOSPITAL

Provide state of the art equipment, physicians, and services to be the best small town cancer care hospital in the USA. TETWP just purchased an MRI coil so that women can get the necessary screenings for breast cancer here at GVH. 3D Mammograms, ultrasounds, stereotactic biopsies, and now breast MRI will be available with top of the line equipment.

MAKE IT A GREAT DAY

TETWP coupons will be provided to cancer patients to use for integrative therapies such as reiki, massage, acupuncture, light therapy, nutrition, ortho bionomy, etc . These therapies have been proven to help cancer patients stay strong mentally and physically while they are going through their surgeries and treatments. Research findings show that integrative therapies can help to boost the immune system, reduce pain and help patients stay strong.
