"Pink in the Rink does so much for our awesome valley. Getting to play a weekend of hockey with strong, fun women from all corners of our community gives us a chance to connect in ways we don't otherwise and then we can take those connections and that energy back to our work lives and our families. Supporting our locals fighting breast cancer is another huge benefit of the event – having heavy medical issues in the middle of glorious nowhere is challenging logistically and financially and Pink in the Rink helps share that burden beautifully. When women in a community are connected and strong, everyone benefits. YES Pink in the Rink!" ~Leslie Nichols
