Over the last few years, TETWP has ramped up our awareness campaign resulting in a **40% increase in the number of women getting their annual mammogram!**

More and more women have been getting their annual mammogram at GVH. With this great success we have also experienced an increase in requests for financial assistance to help cover the cost of mammograms, ultrasounds, and/or biopsies for the uninsured or underinsured.

MAKE IT A GREAT DAY

TETWP coupons will be provided to cancer patients and their caregivers to use for integrative therapies such as reiki, massage, acupuncture, light therapy, nutrition, ortho bionomy, etc . These therapies have been proven to help cancer patients stay strong mentally and physically while they are going through their surgeries and treatments. Research findings show that integrative therapies can help to boost the immune system, reduce pain and help patients stay strong.

These are just a few of the impactful programs that Tough Enough To Wear Pink provides to our community. To learn more about all the TETWP Programs, please go to our website
